

Claimant Report

Claimant Name: Alex Smith

Date of Incident: October 5, 2023

Location: Winding Road, Mile Marker 5, Springfield County

Incident Description:

On the day of the incident, I was riding my motorcycle on a winding road when an SUV suddenly appeared from the opposite direction. The driver, without warning, swerved into my lane and collided with my motorcycle. As a result, I lost control and fell off my bike, which sustained significant damages.

Damage Report:

Due to the collision caused by the SUV, the following parts of my motorcycle were severely damaged:

1. **Frame:** \$300
2. **Engine:** \$1,000
3. **Wheels (front and rear):** \$500
4. **Handlebars:** \$150
5. **Brakes:** \$2,000
6. **Headlight Assembly:** \$120
7. **Seat:** \$400
8. **Exhaust System:** \$500

Total Estimated Damage: \$4,970

I urge the insurance company to review this claim thoroughly, as I believe the damages were caused directly by the negligence of the SUV driver. I have attached photos of the damages to my motorcycle for your reference.
