- Contact Information:** (555) 123-4567
- Statement:** Witnessed the motorcycle losing control while navigating a sharp curve.

Description of Incident:

At approximately 14:30, I responded to a report of a motorcycle accident on a winding road. Upon arrival, I observed a motorcycle on its side and the rider, Alex Smith, lying still on the pavement. The motorcycle had slid across the road after losing control during a sharp curve.

Initial investigation revealed that Mr. Smith was navigating the curve at a high speed, leading to the motorcycle tipping over. The motorcycle and rider continued to slide across the road, coming to rest just as an oncoming SUV approached. The driver of the SUV slowed down upon noticing the accident.

Emergency medical services were called to the scene to assess and transport Mr. Smith to Springfield General Hospital for further evaluation.

Vehicles Involved:

- SUV (Witness Vehicle):** 2021 Ford Explorer

- **License Plate:** ABC 5678
-

Additional Notes:

- The area is known for its winding roads, and caution is advised for all motor vehicle operators.
- A report will be filed regarding the incident for further investigation into the causes and contributing factors.
